Re: Groundwater Change Application No. CG4-30508P@1 and Groundwater Permit No. G4-30507P—Candy Mountain LLC

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

Complete Construction: October 1, 2018

- The supply needs and slow growth of the public water system's service area is not entirely within the control of the applicant.
- Summit View Water System's readiness to serve is still valid.

Also, per our phone conversation and with regards to your extension request for Groundwater Permit No. G4-30507P, the Department of Ecology already authorized that request on April 1, 2014, therefore, it is unnecessary to readdress that request at this time.
